FCC Class II Permissive Change Request Letter

Date: 04 July 2015

To FCC:

RE: FCC Permissive II Change Request for Company: Samsung Electronics Co., Ltd.
FCC ID: **IOMKD004**

We are submitting an application for a class II permissive change to the FCC approval of the Company name:
CommScope, Inc., product description: 10G GEAPON ONU
(FCC: **IOMKD004**, Original Grant Date: 06/26/2015).
Here are the changes:

The highest frequency of the last band of 5GHz was changed from 5805 -> 5825.
There's no change on H/W at all.

Sincerely,
