Authorization and Evaluation Division

Confidentiality Request

Pursuant to Section 0.457 and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying this Application as outlined below:

Schematics

Block Diagram

OEM manual

The schematics and block diagram contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the applicant and provide unjustified benefits to its competitors.

The OEM manual will only be provided to the OEM installers and the information in the manual regarding installation of the module will not be provided to end-users.

The Applicant understands that pursuant to Rule 0.457, disclosure of this Application and all accompanying documentation will not be made before the date of the grant for this application.

With best regards,
