

E-Label Information

- A. The following specific instructions are provided in the printed Start Manual that is provided with the device.

Device Information

Getting the Owner's Manual

The owner's manual includes instructions for using device features and accessing regulatory information.

Go

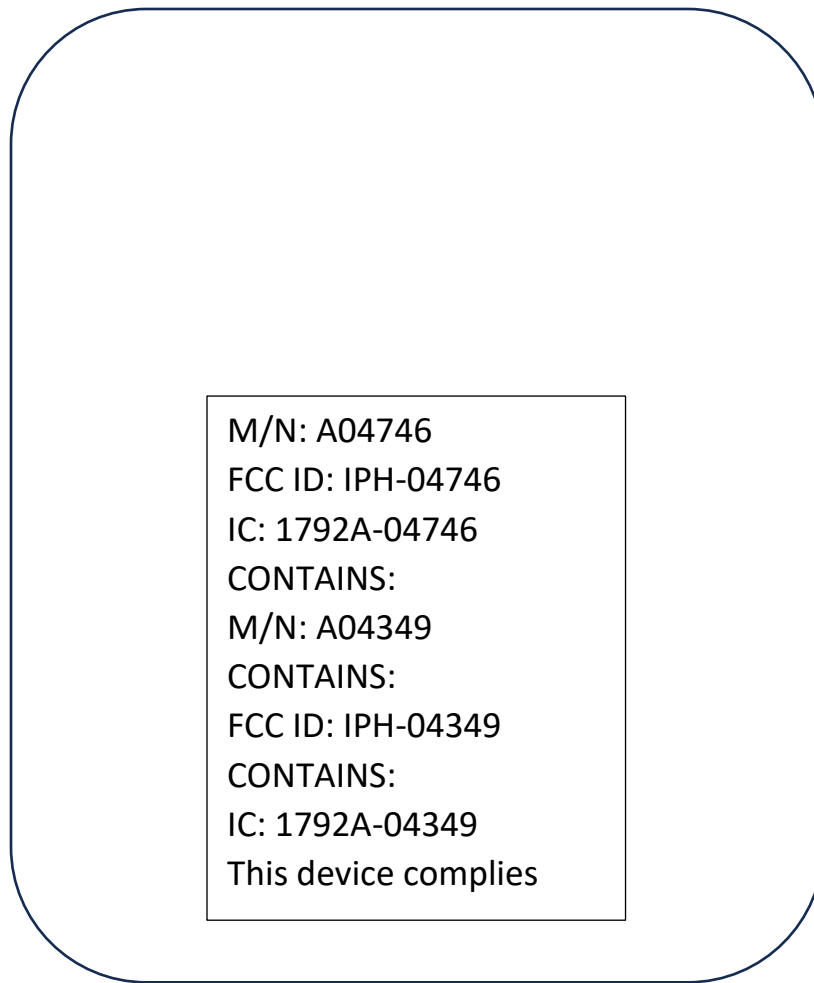

to **garmin.com/manuals**

- B. The following specific instructions are provided in the owner's manual that is provided at www.garmin.com/manuals:

Viewing E-Label Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, as well as applicable product and licensing information.

- 1** From the main menu, select **Settings**.
- 2** Select **System**.
- 3** Select **About**.

- C. The above information is programmed by Garmin in such a manner that third parties cannot modify it.
 - a. “No special accessories or supplemental plug-ins (e.g., installation of a SIM/USIM card) are required to access the information. Access to the information is provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access.”
 - b. Electronically displayed information is clearly legible without the aid of magnification.
- D. The above M/N, FCC ID, and ISED certification numbers can be found printed on the product packaging.
- E. The PMN/HVIN and ISED certification number are electronically labelled as shown above.
