

A black, rectangular USB dongle with rounded ends lies diagonally on a green cutting mat with a white grid pattern. The top surface of the dongle features a white label with the following text: "MT102M" in large bold letters, followed by "USB to RS-485 Converter Dongle", "Model No. MT102M", "Serial Number: 123456789", and a barcode. Below the text are several certification logos, including CE, FCC, and RoHS. The front edge of the dongle shows a standard USB-A connector.
