Confidentiality Justification

Pursuant to Sections 0.457 and 0.459 of the commission's rules, we hereby request that the following technical document be held confidential:

Duo Internal Pictures.pdf

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors. The GPR antenna pictured in the document is a sealed and potted unit that cannot be opened after manufacturing without destroying the contents. The unit will not be made available for sale to the general public. Marketing will be limited to law enforcement, fire fighting, emergency rescue, scientific research, commercial mining, and construction pursuant to CFR 47, Part 15, Subpart F, 15.509.
