Applicant: Kustom Signals, Inc.

Equipment: FCC ID: IVQDRU
FCC Rules: Parts 2 and 15C

Gentlemen:

Sirs, please accept this letter of notification to correct the rule part for the unit mentioned above. The original report and letter had a type error and listed the rule part as 15.249. The unit is a designed as a field disturbance sensor and should be operated under 15.245. The 731 form should be correct but the test report has listed 15.249. A revised test report will be uploaded to the FCC site along with this letter. The unit meets all requirements as stated and will have more margin below the limits of the correct CFR part 15.245. I apologize for the mistake and any inconvenience this has caused.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Scot Rogers".
