Re:

Application for Certification of TouchTronics' 1000-TK/1000-TM under 47CFR 15.231.
FCC ID: IVS1000TKTM

Gentlemen:

On behalf of the applicant, TouchTronics Inc., please find attached the submittal materials for certification of the transceiver, 1000-TK/1000-TM. This product operates at a frequency of 433.92MHz.

The contents list of the Exhibits in this submittal package appears on Page 2 of this cover letter.

A letter of authorization, file '2_Power_of_Attorney.pdf', is included to establish that AHD EMC Laboratory has been authorized to be signatory on behalf of TouchTronics Inc. and that TouchTronics certifies to the drug enforcement code.

The Federal Communications Commission will be notified, in writing, of any changes in the software/programming of the device that could affect the device's RF characteristics.

Your prompt consideration of this application for product certification will be greatly appreciated. Should you have any questions regarding the content of this report, kindly contact me.

Sincerely,

A handwritten signature in blue ink that reads 'Gordon L. Helm'.
