Declaration Letter

We, Hobbico, Inc., declare that our 2.4G transmitters, item numbers Tactic TTX600, Tactic TTX404, and Tower Hobbies 424 are identical inside including the electrical circuit design, layout, components used and internal wiring. The differences are as below:

1. Tactic TTX404 and Tower Hobbies 424 are only different by model name and brand.
2. Tactic TTX600 is different from Tactic TTX404 and Tower Hobbies 424 by having two switches and a potentiometer.

Sincerely yours,

A handwritten signature in cursive ink that reads "Neal Cloud". The signature is fluid and written over a few lines.
