Federal Communications Commission
Washington, DC 20554

Subject: Submission for FCC Grant of Equipment Authorization

Reference: FCC ID: J4K-INVITIUM

To Whom It May Concern:

PLANAR Systems, hereby requests that certain sections, exhibits and the like, to our attached submission be treated by the FCC as confidential information. The sections that require confidentiality is, *for the most part all of the Section* entitled Block Diagrams and Schematics and includes the following technical information:

- Detailed Theory of Operation
- Any and all Block Diagrams and explanatory text
- All Schematics

The above technical information, which is explicitly characterized in our submission, describes in detail how our product is built and its theory of operation. This level of technical information, if disclosed outside the FCC, would cause irreparable harm to **PLANAR Systems** from a competitive standpoint.

Therefore, we respectfully request that the technical information listed herein and fully described in our submission attached hereto be treated as confidential information and not be disclosed outside of the FCC.

Sincerely,

A handwritten signature in blue ink, appearing to read "Meher Nerkizian". The signature is fluid and cursive, with a large loop at the end.

Meher Nerkizian
