6210-0277-000 Rev F

A close-up photograph of a printed circuit board (PCB). On the left, a vertical serial number '210-0277-000' is printed. To the right of the serial number are several component designators: 'L41' above a large component, 'C157' and 'C158' below it, and 'C159' further down. The PCB has a light blue-green color with various electronic components and pads.
