

**System 10 Pairing Instructions**  
1. Push the SYSTEM ID button on your receiver to choose a unique ID number from 1 to 8. The receiver's display will begin to blink.  
2. Within 15 seconds, push and hold the PAIR button on your receiver. The pair light will begin to blink. Your receiver is now in Pair Mode.  
3. Open your transmitter and push its PAIR button within 30 seconds of entering Pair Mode. The transmitter display will now show the system ID number you've chosen, and the receiver pair light will glow steady.
