Re: Applicant: SMC Networks, Inc.

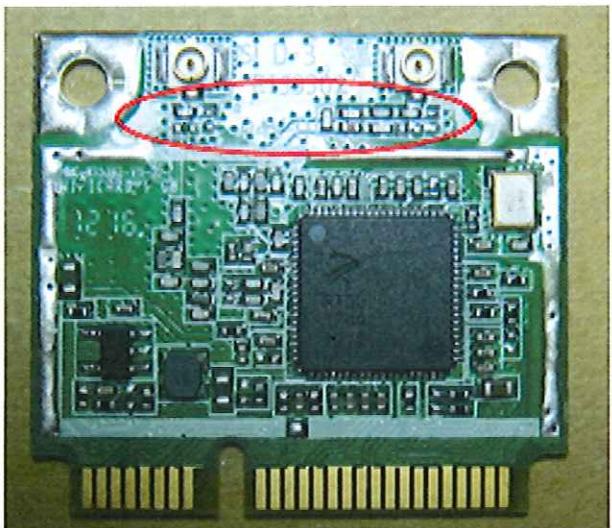

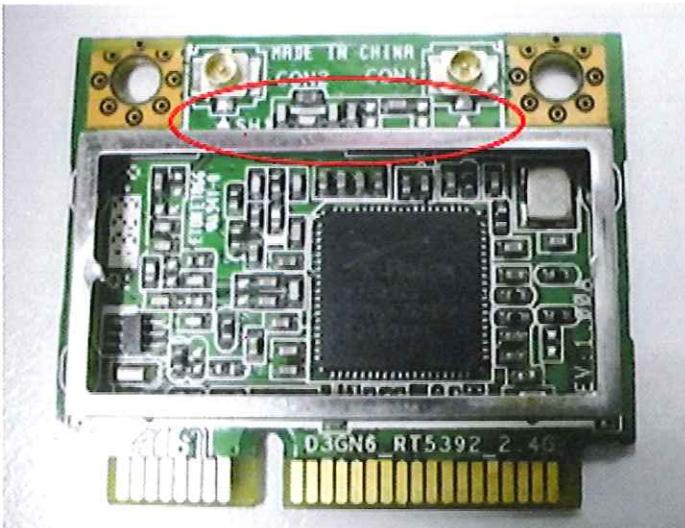

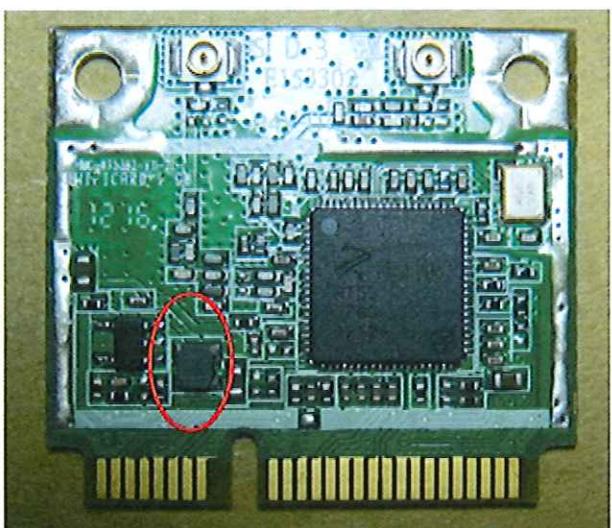

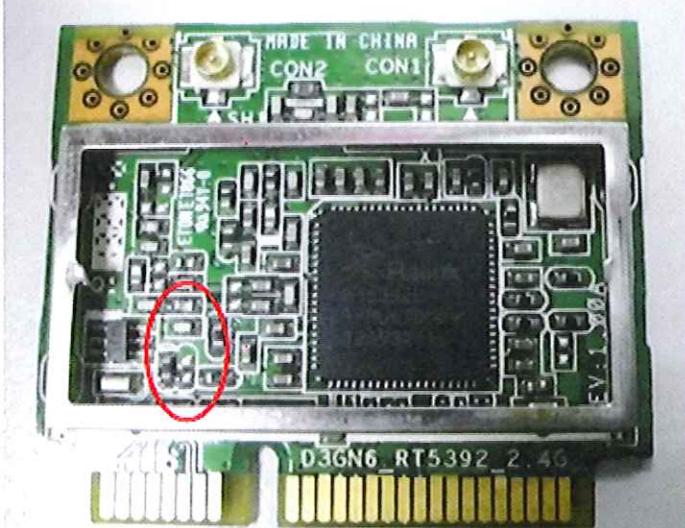

FCC ID: JI5-RT539222SB24

**Declaration Letter**

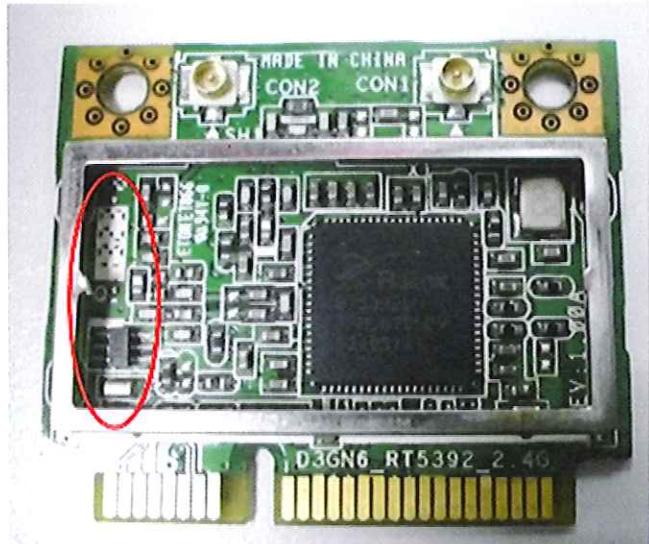

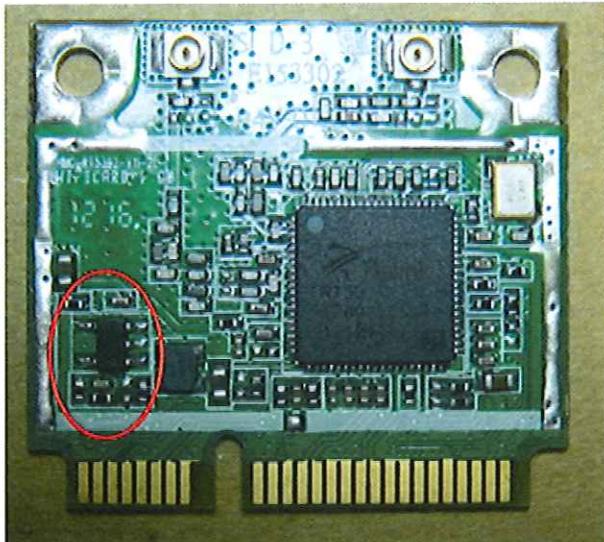

We, SMC Networks, Inc. request permissive class II change for the 2x2 2.4G WiFi Module under FCC ID: JI5-RT539222SB24, model name SMC-RT539222SB24. For this application, SMC-RT539222SB24 is modified to add new antenna, replace power regulator, remove inductor and trace layout change is for process management plan. Otherwise are identical with original's grant. The differences between this application and original's ID are clarified in following pages.

To add new antennas: PIFA type/ Antenna gain: 4.5dBi	
Original	Class II Changes
 	

This change is for Process Management Plan, but RLC layout was identical with original's.

Original	Class II Change
	
INDUCTOR was removed.	
	

Replace power regulator.

Best Regards,
