RE: Confidential Status of FCC filing.

To Whom It May Concern,

Our request for confidential filing was made for the following reasons: We would like to limit the availability of our design information to our direct customers and competitors.

If this request is beyond the scope of the confidential filing status, please proceed as a regular filing request.

If there are any question, please call.

Sincerely,

A handwritten signature in black ink, reading 'David D. Schumann'. The signature is fluid and cursive, with a long horizontal line extending from the end.

David D Schumann  
Vice President of Technology
