

## Appendix B. Configuration Photographs

### Conducted emission at mains port

|                                                        |                       |
|--------------------------------------------------------|-----------------------|
| Conducted emission at mains port                       | USB Read with PC mode |
| The photographs show maximized emission configuration. |                       |

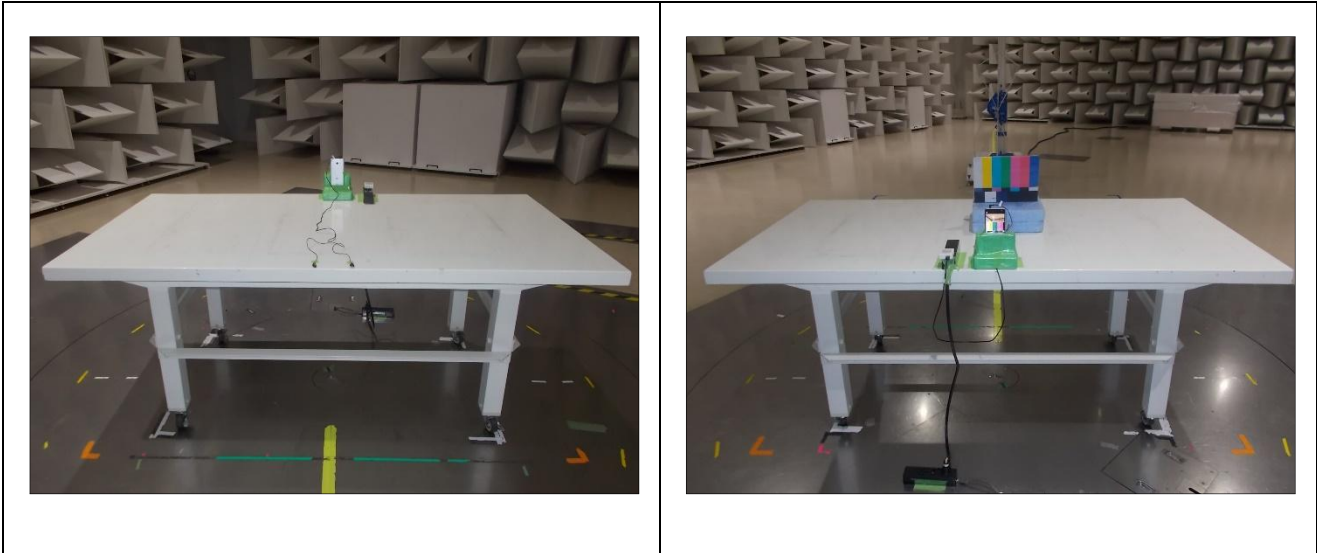

### Radiated emission (below 1 GHz)

|                                                        |                         |
|--------------------------------------------------------|-------------------------|
| Radiated emission (below 1 GHz)                        | In Camera with ADP mode |
| The photographs show maximized emission configuration. |                         |

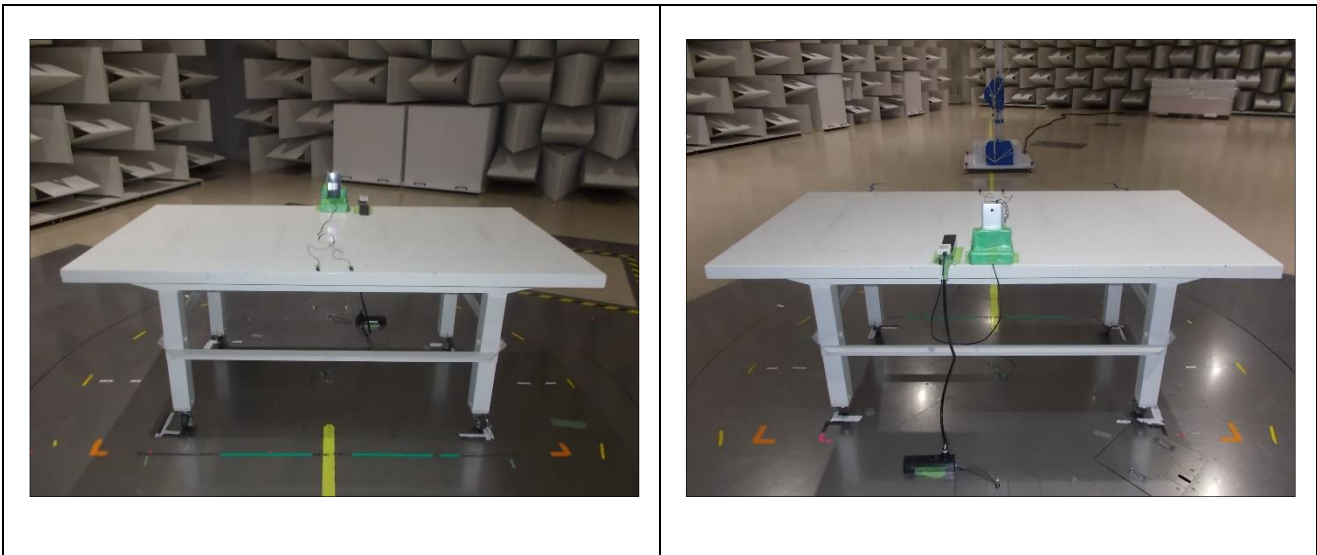

**Radiated emission (below 1 GHz)**

|                                                        |                          |
|--------------------------------------------------------|--------------------------|
| Radiated emission (below 1 GHz)                        | Out Camera with ADP mode |
| The photographs show maximized emission configuration. |                          |

**Radiated emission (below 1 GHz)**

|                                                        |                   |
|--------------------------------------------------------|-------------------|
| Radiated emission (below 1 GHz)                        | MP4 with ADP mode |
| The photographs show maximized emission configuration. |                   |

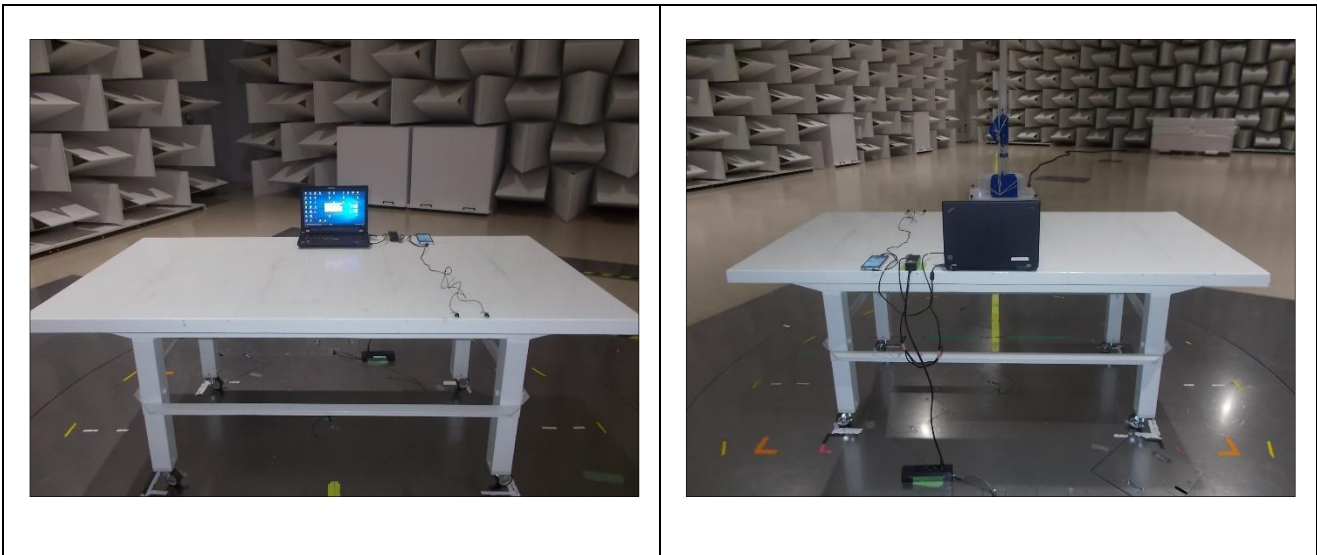

**Radiated emission (below 1 GHz)**

|                                                        |                                 |
|--------------------------------------------------------|---------------------------------|
| Radiated emission (below 1 GHz)                        | MP4 (No earphone) with ADP mode |
| The photographs show maximized emission configuration. |                                 |

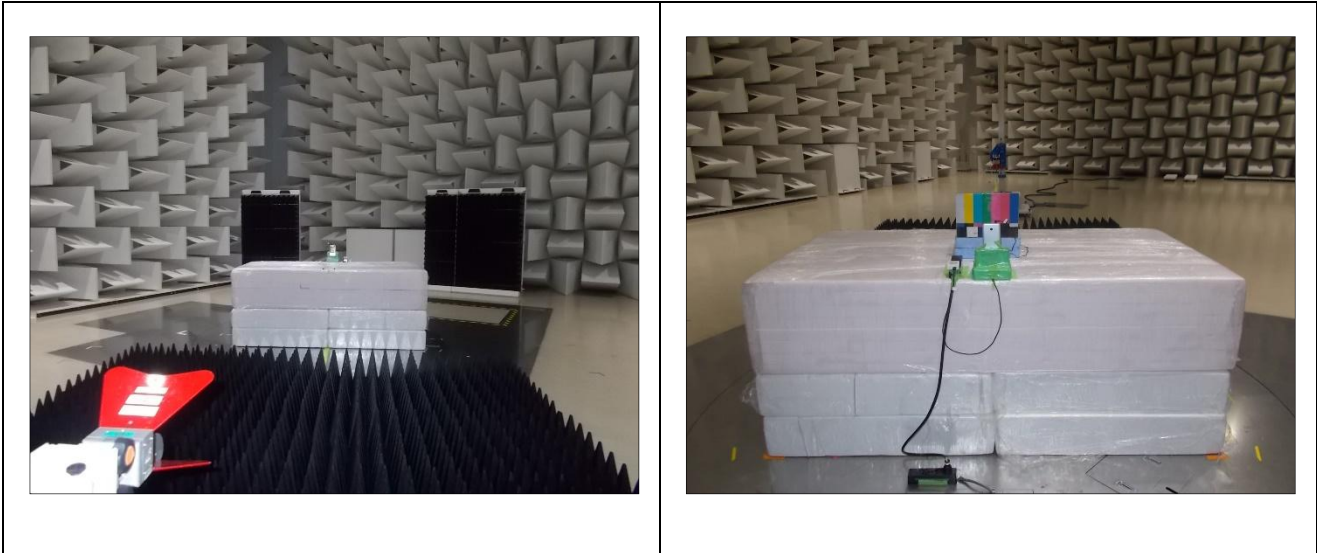

**Radiated emission (below 1 GHz)**

|                                                        |                       |
|--------------------------------------------------------|-----------------------|
| Radiated emission (below 1 GHz)                        | USB Read with PC mode |
| The photographs show maximized emission configuration. |                       |

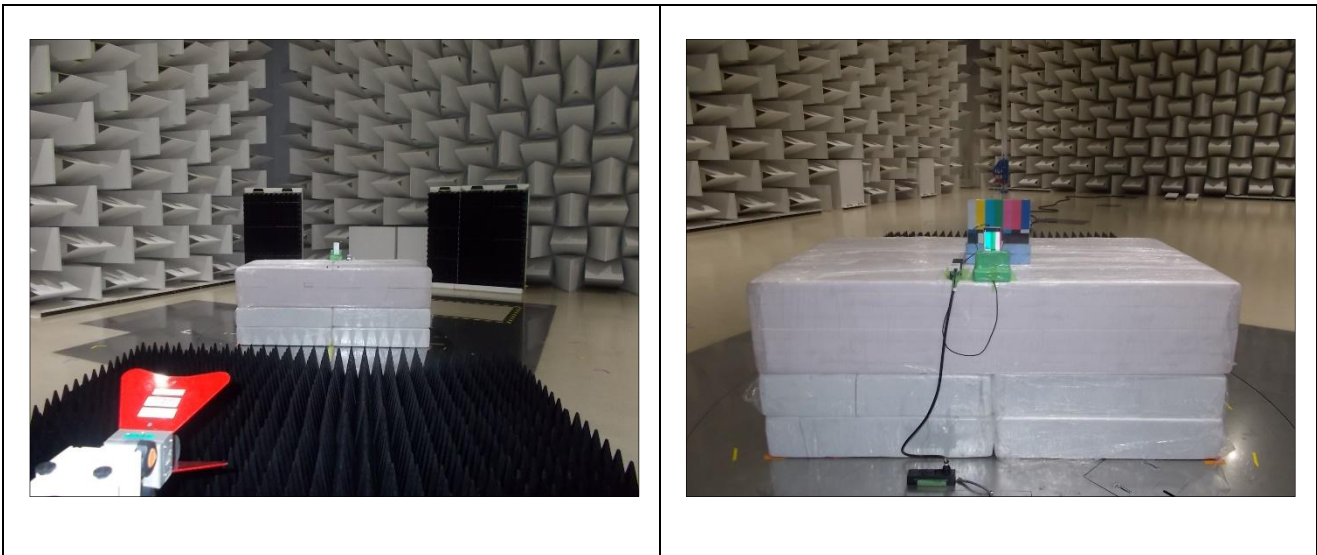

**Radiated emission (above 1 GHz)**

|                                                        |                         |
|--------------------------------------------------------|-------------------------|
| Radiated emission (above 1 GHz)                        | In Camera with ADP mode |
| The photographs show maximized emission configuration. |                         |

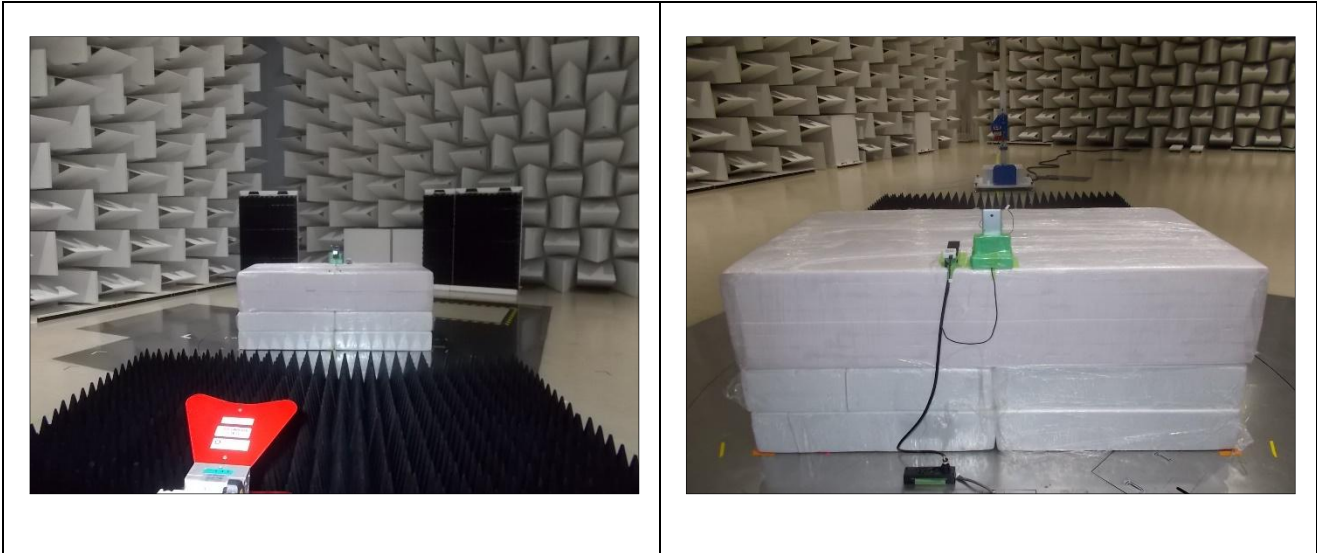

**Radiated emission (above 1 GHz)**

|                                                        |                          |
|--------------------------------------------------------|--------------------------|
| Radiated emission (above 1 GHz)                        | Out Camera with ADP mode |
| The photographs show maximized emission configuration. |                          |

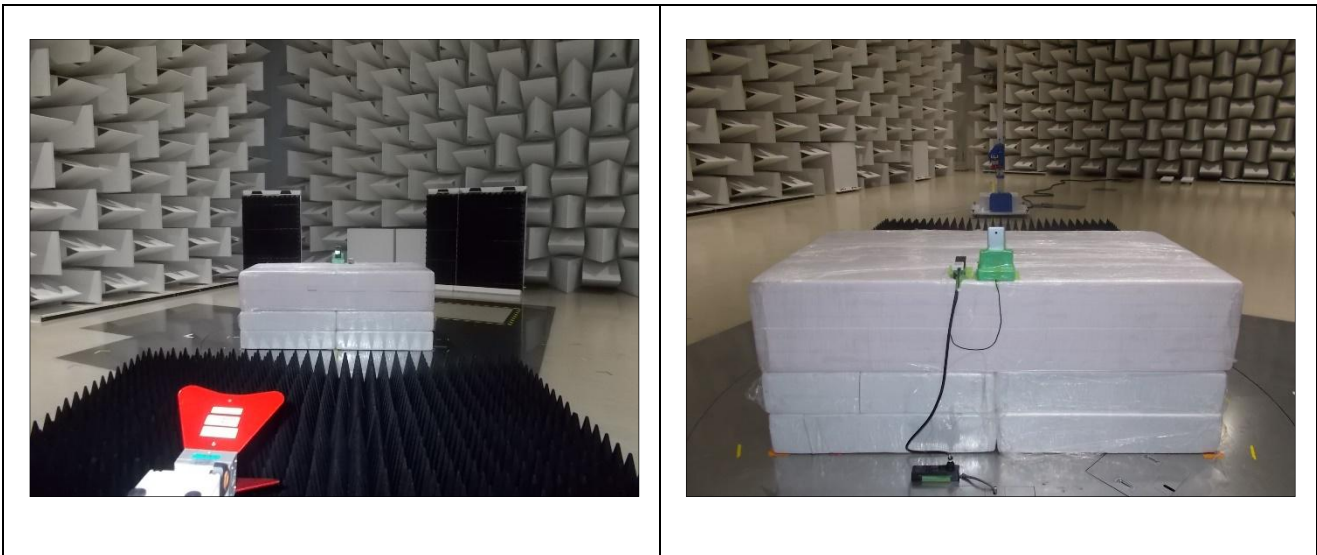

**Radiated emission (above 1 GHz)**

|                                                        |                   |
|--------------------------------------------------------|-------------------|
| Radiated emission (above 1 GHz)                        | MP4 with ADP mode |
| The photographs show maximized emission configuration. |                   |

**Radiated emission (above 1 GHz)**

|                                                        |                                 |
|--------------------------------------------------------|---------------------------------|
| Radiated emission (above 1 GHz)                        | MP4 (No earphone) with ADP mode |
| The photographs show maximized emission configuration. |                                 |

**Radiated emission (above 1 GHz)**

|                                                        |                       |
|--------------------------------------------------------|-----------------------|
| Radiated emission (above 1 GHz)                        | USB Read with PC mode |
| The photographs show maximized emission configuration. |                       |
