Attestation letter for KYY08 (FCCID: JOYKYY08)

We hereby declares this device supports below information,

- a) The Felica transmitter operation

KYY08 have no transmitting function on Felica. Because Felica IC's RF ports for transmission are electrically connected to GND, KYY08 will never transmit at any time.

Sincerely,

A handwritten signature in black ink, appearing to read 'Y. Yamamoto'.

Yoshikazu Yamamoto
Manager of Quality Assurance Dept.
