Board-Component
View 1

Solder Board-Component View 2	 A circular black PCB component is shown against a blue background. A black ruler with white markings is placed to the left of the component, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component has several soldered components, including a large square component labeled 'K2' and a smaller one labeled 'K3'. There are also some small circular components and a yellow component labeled '103'.
Antenna View	BT Antenna  A circular black PCB component is shown against a blue background. A red box highlights a specific component on the board, which is labeled 'ANT'. A red line points from the 'BT Antenna' label to this component. The component is a small, rectangular, gold-colored antenna. Other components and markings are visible on the board, including 'K2', 'K3', and '103'.
