

Attestation Letter

We, Dialogue Technology Corp., hereby claim that Flybook V51BBB (FCC ID: JYV-V51BBB) do not support Ad-Hoc (Peer to Peer) function in band 5250~ 5350 MHz for WLAN function.

And because this Flybook integrates Intel WLAN 3945 module (FCC ID: PD9WM3945ABG), its DFS report (report number:R69229) can be used for DFS compliance evidence.

Should you have question, please have my best attention.

Daniel Lee
