RE: FCC ID: K7SF5D7632-4\_ATCB001914  
Attention: Eric Lin

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please note that the device is more than sufficiently large to accommodate the required 2 condition statement as mandated in 15.19. Please provide an DCC ID label that contains this mandatory statement on the device. Alternately, please explain how this device meets the exclusion of 15.19(a)(5). Please note that size is not a factor as the device is sufficiently large.
2. Please provide the schematics for the WLAN transmitter.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
