

March 6, 2000

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

SUBJECT: Request for withholding from the public the disclosure of schematic diagrams, system diagrams and functional description pursuant to an application for certification

APPLICANT: Solectek Corporation

PRODUCT: SkyWay Series Transceiver

MODEL: KA324WAN5

To Whom It May Concern:

Solectek Corporation respectfully requests that the schematic and block diagrams, as well as the functional description submitted within this application be withheld from public disclosure as per Section 0.459 of the FCC Rules.

This request is made under the provisions of Section 0.457(d) of the Commission's rules and also Section 552(b)(4) of the Freedom of Information Act. These sections authorized the withholding of documentation materials from public inspection to protect the applicant (Solectek Corporation), as such disclosure might be harmful to the applicant and provide unjustified benefits to its competitors.

Sincerely,

Larry Butler
VP of Engineering
