Subject: Confidentiality Request

Reference: FCC ID KA336WAN2 / ODS-3537

To Whom It May Concern:

In accordance with FCC Rules part 0.459, we hereby request confidential treatment for the above referenced Certification application.

In addition, due to the following considerations, we hereby request confidential treatment to all internal photos:

- The product is intended for deployment on secure/restricted access rooftops and building sides. These locations are not accessible to the public
- The product is not user serviceable. Tamper-seals are applied to restrict access to the inside of the device
- The photos contain technical and design information which we deem to be trade secrets and proprietary. If made public, the information might be used to the disadvantage of Solectek Corporation.

The items to be held in confidence are:

- Schematics
- Bills of Materials / Parts Lists
- Block Diagram
- Operational Description
- Internal Photos

Thank you for your attention in this manner.

Regards,

A handwritten signature in black ink, appearing to read "David Gell". It is positioned above a vertical red line.
