Columbia, MD

Subject: **Permanent Confidentiality Request** for FCC ID: [KA349WAN3](#)

We hereby request confidential treatment of information accompanying this application as outlined below:

- [Internal Photos](#)
- [Block Diagram](#)
- [Operational Description](#)
- [Schematics](#)
- [Bills of Materials](#)

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

In addition, due to the following considerations, we hereby request confidential treatment to all *internal photos*:

- The product is intended for deployment on secure/restricted access rooftops and building sides. These locations are not accessible to the public
- The product is not user serviceable. Tamper-seals are applied to restrict access to the inside of the device
- The photos contain technical and design information which we deem to be trade secrets and proprietary. If made public, the information might be used to the disadvantage of Solectek Corporation.
- We attest that the request for confidentiality of internal photos satisfies the following requirement "3) Internal photos can also be held confidential if a non-consumer device is inaccessible to the general public, such as a device mounted on the top of a large tower (or in a fenced enclosure) that is only serviceable by the licensee or his designated technicians."

The applicant understands that pursuant to Section 0.457 & 0.459 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Gell". The signature is fluid and cursive, with the first letter of the last name being a large, stylized 'G'.

David Gell
