Re: Applicant: General Dynamics Itronix Corporation
FCC ID: KBCIX-EYXFDC
Part 2.933(b) Change in Identification of Equipment

TCB Committee,

On behalf of General Dynamics Itronix, Corporation we request a grant of Certification for the above referenced FCC Identifier under Part 15C.

The original identification, FCC ID: RYYEYXFDC is applicable to this Spread Spectrum, Class 2 Bluetooth device. The OEM, Grantee: Taiyo Yuden Co., Ltd. was granted Modular Approval 05/25/05.

The test data filed by Taiyo Yuden Co., Ltd. Continues to be representative of the newly identified device. There are no changes to the hardware, software or antennas originally approved. This change in identification only for the newly identified device, FCC ID: KBCIX-EYXFDC, which is physically and electrically identical as defined by Part 2.907.

Please let us know if you might require anything further to assist with your review of this request for Certification.

Best Regards,

Mark Harwood
Agency Engineering
General Dynamics Itronix Corporation
