Overview

New limited modular approval for a licensed radio module. The radio was originally certified by Qualcomm Incorporated under FCC ID: J9CGOBI2000, also certified by Sierra Wireless under FCC ID: N7NGOBI2. The General Dynamics Itronix FCC ID: is KBCIX-GOBI2. The radio will be used in the General Dynamics rugged notebook PC, GD6000. This application includes data to support co-located radios FCC ID:KBCIX-512ANH (WLAN) and FCC ID: KBCIX-BR-51 (Bluetooth).

Confidentiality requested for allowed files. Request is properly addressed and referenced.

Agency letter was checked.

A letter listing the applicable modular requirements was submitted.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
