- 1.) Limited Modular Certification for the IX-WL3945 the Intel,
PRO/Wireless 3945ABG Network Connection on a PCIe Mini-Card.

TCB Committee,

On behalf of General Dynamics Itronix Corporation we request a Limited Modular Certification of the embedded Intel, Model: PRO/Wireless 3945ABG, Network Connection card installed in the IX750 Rugged PC under rule Parts 15C and 15E.

NW EMC, Inc. measured the radiated spurious and band edges for each antenna combination covering the requirements for integration of this embedded module and two antennas into the IX750 host.

Thank you for your consideration of this request for Certification. Please let me know if you should require any further information.

Best Regards,
