RE: FCC Labeling Requirements
FCC ID: KBRASTU13

The following label information is required by the FCC Rules and Regulations for certified devices. However, since this device can not be placed the label on the surface of the Transmitter (Key), FCC Labeling is engraved on the rear face of the outer shell. Please find copy of letter from Mr. Ray LaForge of FCC-OET dated on March 31, 2000.

Thank you for your attention to these matters.

Sincerely,

A handwritten signature in black ink, appearing to read 'Yasuo Nakamura', written over a light blue horizontal line.
