RE: KDZ480628-

Dear Sir:

The following class 2 permissive change application is submitted for evaluation under Part 15.247 of the rules. The purpose of this application is to add antennas for use on the LXE transceiver Model 480628-4096 that bears the FCC ID: KDZ 480628-4096 which has already been certified by the commission.

The antennas to be added are:

- 1) Hypergain model HG2415P 15dBi 180 degree sector panel antenna - LXE P/N: 480429-2712
- 2) Hypergain model HG2412P 12dBi 90 degree sector panel antenna - LXE P/N: 480429-2703
- 3) Hypergain model HG2415U 15dBi omnidirectional antenna - LXE P/N: 480429-0415
- 4) Mobile Mark model OD12-2400 12dBi omnidirectional antenna - LXE P/N: 480429-0411

The unit was tested and was found to be in compliance with the rules.

Sincerely,

R. Sam Wismer
RF Approvals Engineer
