RE: SAR report explanation

RE: KDZLXE4830P

Dear Sir or Madam:

Please note that the bluetooth module in the HX2 Wearable Computer is not available at this time. The product was tested originally in two configurations as the report reflects. The Class II permissive change submittal of KDZLXE4830P will **NOT** include a bluetooth module in the HX2 product line. A separate filing will be conducted to add the bluetooth module at a later date.

Sincerely,

A handwritten signature in blue ink, appearing to read "Cyril A. Binnom Jr.", with a stylized flourish at the end.
