Subject: FCC Class II permissive change to FCC ID: KDZLXE4830P

Dear Sir or Madam:

The following letter is to state LXE's intent to submit a Class II permissive change to add MX8 (Vertical Hand Held Terminal) to the KDZLXE4830P authorization. This product contains a Bluetooth module, FCC ID: KDZLXE4830P which is certified under limited modular approval (we are also submitting a Class II change for this Bluetooth module). It also contains a WLAN 802.11 b/g module which is certified under limited modular approval with FCC ID: TWG-SDCCF10G.

LXE acknowledges that LXE will retain full control on the installation of this module and will accept all EMC and SAR compliance responsibility for every end-device.

Regards,

A handwritten signature in blue ink, appearing to read 'Cyril Binnom', followed by a period.
