RE: KDZLXE6726P

Dear Sir or Madam:

The following application for the LXE Model 6726 is submitted for evaluation under Part 15.247 of the rules. The unit was tested and found to be in compliance with the rules. The LXE 6726 is an OEM Direct Sequence Spread Spectrum product manufactured by Cisco Systems. It is IEEE 802.11b compliant and operates in the band of 2400 – 2483.5 MHz. The following items have been submitted by LXE or by Cisco Systems directly:

- Test Report
- RF Exposure Compliance Statement – Portable Equipment
- Processing Gain Test Report
- Schematics
- Operational Description
- Internal Photographs
- External Photographs
- Labeling information
- Operation Description
- Test Set-Up Photographs

Additionally, Cisco Systems requests certain items to be held confidential and have submitted a letter with this filing itemizing these items. LXE has paid the confidentiality fee.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. C. Massey'.

D. C. Massey
Lead Regulatory Engineer
LXE, Inc.
