RE: Request for Confidentiality  
FCC ID: KH7-MRLN-A128

Dear Mr. Graff:

CATC requests confidentiality of a portion of the Application for Equipment Authorization submitted on September 20, 2001 and such material be withheld from public inspection following the grant of this authorization. This request for confidentiality includes the items identified below:

1. Block Diagram
2. Schematics
3. Bill of Materials

The material contains trade secrets and confidential information that CATC does not customarily release to the public. Specifically, the identified items contain information relating to circuit function and complexity that could be of benefit to competitors.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ken Kimura', is written over a horizontal line.
