Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. ShenZhen XinZhongXin Technology Co., Ltd. requests that the following documents regarding this submission for FCC ID: KKI-F-6088 be kept confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Circuit Diagram.pdf
Operational Description	Operational Description.pdf

Those documents contain detailed system and equipment description and related information about the product which KKI-F-6088 considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, ShenZhen XinZhongXin Technology Co., Ltd. considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
