

DUT with Harness

DUT (top)

DUT (bottom)

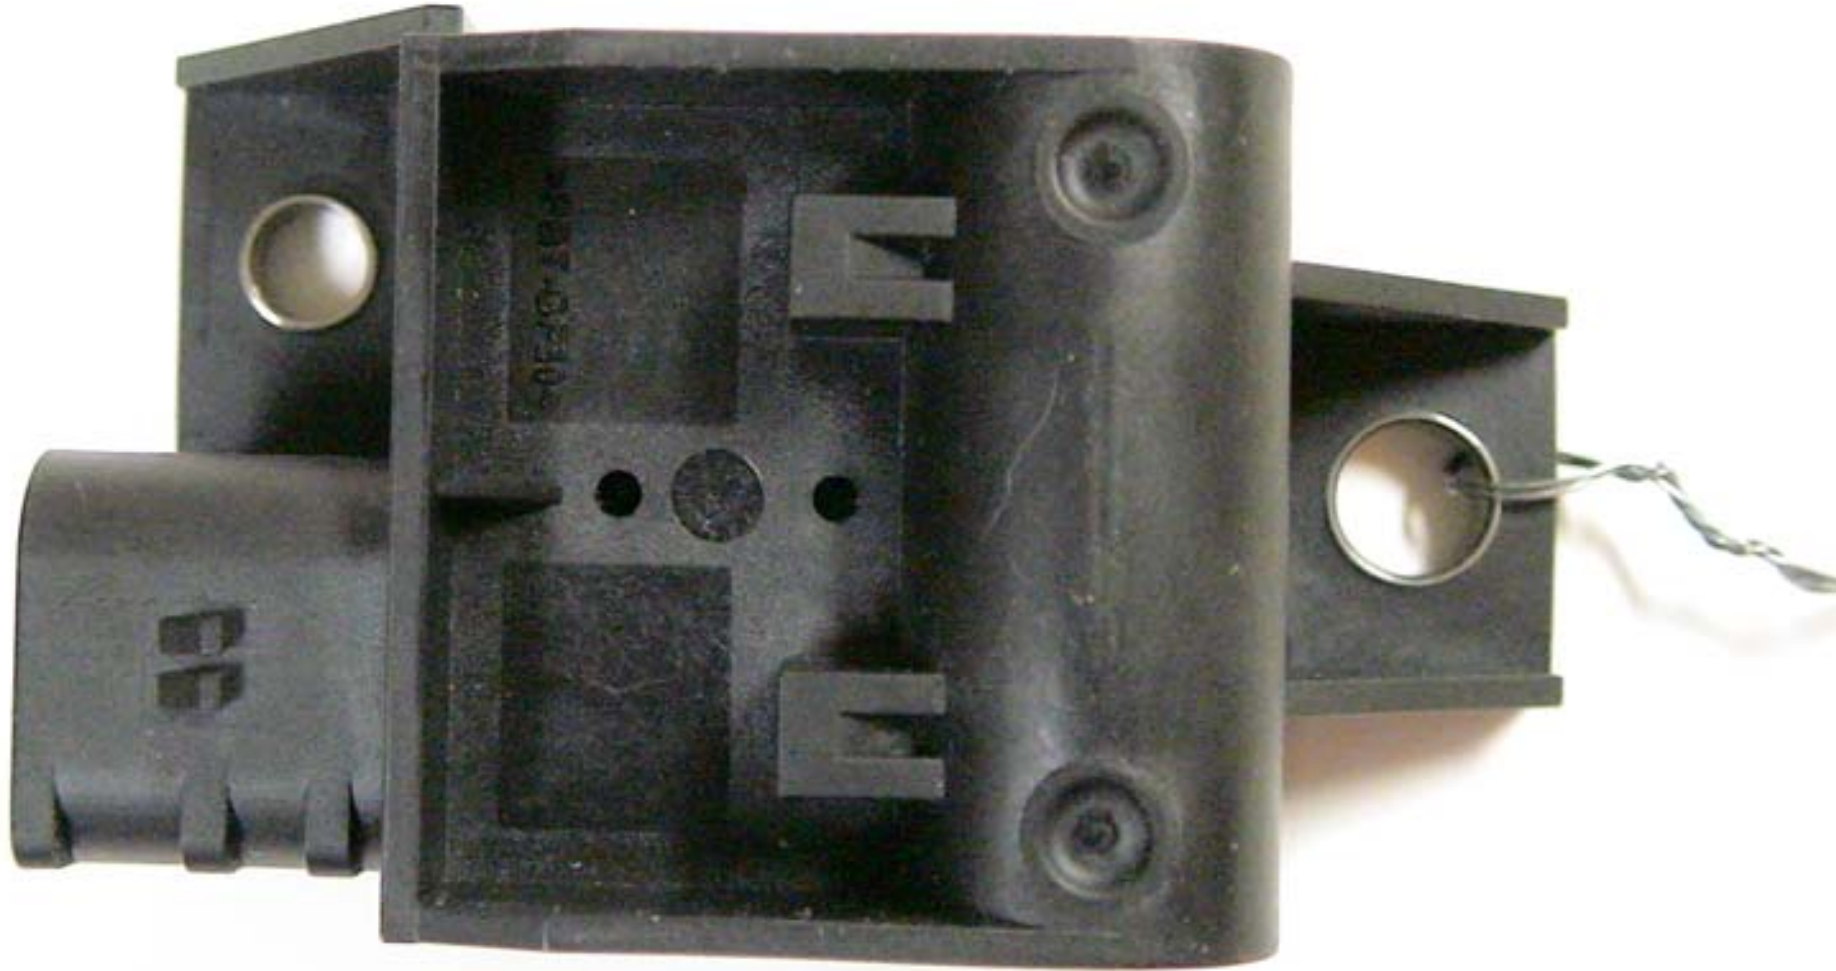

DUT (top) (close up)

A close-up photograph of the top of a Device Under Test (DUT). The central component is a white, square-shaped chip with a circular pad in the center. The chip is mounted on a black, rectangular base. A thin, silver-colored wire is connected to the circular pad on the left side. The background is a plain, light-colored surface.
