Subject: Confidentiality Request
FCC ID: KOC-901781

I would like to request confidentiality for the block diagram, schematic and operational description of our Bluetooth RS232 DCE Class 2 adapter, model ASY90178-1.

The reason is we want to protect our IP and investments in this new technology and therefore we don't want to make the schematic freely available to our competitors. Thank you for your understanding.

Best regards,

Lubos Honzik
