These items contain detailed system and equipment description and related information about the product which **Rohde & Schwarz GmbH & Co. KG** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public.

UniCredit Bank AG
IBAN DE04 7002 0270 0000 0003 60
BIC HYVEDEMMXXX

Since this design is a basis from which future technological products will evolve, **Rohde & Schwarz GmbH & Co. KG** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

Rohde & Schwarz considers that the conditions for Long-Term Confidentiality as indicated in "726920 D01 Confidentiality Request Procedures v01r02" are met for Internal Photos:

Commerzbank AG
IBAN DE63 7004 0041 0660 5000 00
BIC COBADE33XXX

- QAR50 is operated in industrial environment and accessible only to authorized persons.
- QAR50 operators do not need to access to the inside of the QAR50 to perform their tasks.
- The design of the system prevents easy access to and viewing of internal components/modules/assemblies. (Circuit boards are covered [boards shielding and device panels])

Deutsche Bank AG
IBAN DE82 7007 0010 0203 1466 00
BIC DEUTDE33XXX

VAT Identification No.
DE 130 256 683
WEEE Register No.
DE 240 437 86

- The inside of the QAR50 needs to be accessed only to perform maintenance and repairs.
- QAR50 is serviceable only by Rohde & Schwarz personnel or designated/accredited persons (which, by default, would be under obligation not to disclose company confidential information)

A Non-Disclosure Agreement (NDA) will be executed between Rohde & Schwarz and any non-Rohde and Schwarz party that will be given access to the inside of the QAR50 for maintenance, etc. An example of such NDA is provided with this application.

We are aware that exhibit types cover *letters, attestations, label document, test reports, RF exposure information (SAR and MPE reports)*, cannot be requested to be classified confidential and are thus subject to publication, as will be documents of all other exhibits types for which we have not requested a confidentiality classification.
