**REQUEST FOR CONFIDENTIALITY**

December 5, 2007

Compatible Electronics TCB  
114 Olinda Drive  
Brea, California 92823

**Subject:** Request for withholding from public disclosure the Schematic Diagrams, Block Diagrams, Parts List, Acceptance Test Procedure (Tune-Up Procedure) and Operational Description pursuant to an application for certification

Gentlemen:

We, Ameri-King Corp., would like to request that all schematics, block diagrams, parts list, Acceptance Test Procedure and operational descriptions submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC Rules.

This request is made under the provisions of Section 0.457 (d) of the Commission's Rules, and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize the withholding from public inspection, those materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

If you have any questions, please do not hesitate to contact us at (714) 842-8555.

Sincerely,

A handwritten signature in black ink that reads "Keith Van". The signature is fluid and cursive, with the "K" and "V" being the most prominent letters.

Keith Van  
Engineering Manager

Brea, California 92823

Subject: TCB application submittal

Gentlemen:

We, Ameri-King Corp., would like to declare that the application being submitted for the device with FCC ID: L79AK-451, has, or has not been, submitted to another TCB or FCC for certification.

(Include the following if it has been submitted to another TCB or FCC)

The application was submitted to ATCB on November 20, 2007. If you have any questions, please do not hesitate to contact us at (714) 842-8555.

Sincerely,

A handwritten signature in black ink that reads "Keith Van". The signature is fluid and cursive, with a long, sweeping line underlining the name.

Keith Van  
Engineering Manager
