AUTHORITY TO ACT AS AGENT - FCC

On our behalf, I appoint Nemko North America, Canada, to act as our agent in the preparation of this application for equipment certification. I certify that the submitted documents adequately describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported, or marketed, as defined in FCC regulations, will have affixed a label identical to that submitted for approval with this application.

In signing this letter, Applicant certifies that neither the applicant nor any party to the application is not subject to a denial of Federal benefits, that include FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862 because of a conviction for possession or distribution of a controlled substance. See 47 CFR 1.2002(b) for the definition of a "party" for these purposes. For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the terms and conditions for certification, as specified by Nemko North America Inc., still resides with us.

Sincerely,
