Regarding: Application for certification for FCC id: LF524955

Gentlemen:

Please find enclosed application for Part 15 certification of a Medical Implant Reader model 24955, FCC ID:LF524955 that is part of a Medical Home Monitoring System. The reader's purpose is for the purpose of commanding and querying of an implanted device. Once the requested function is completed, further communication is then done by the Home monitoring base station which is part a separate FCC application .

If you have any questions, please feel call me at 650-585-7077 or contact via email at janet.g.gavidia@medtronic.com.

Sincerely,

A handwritten signature in dark ink, appearing to read "Janet Gavidia", is placed above the typed name and contact information.
