RE: Request for Single-Modular Transmitter Approval for LNAD (FCC ID: LHJ-LNAD)

Applicant: Continental Automotive Systems, Inc.
FCC ID: LHJ-LNAD

To whom it may concern,

Single-Modular Transmitter

This letter is to declare that the LNAD module with FCC ID LHJ-LNAD meets the definition of Single Modular Transmitter as described below:

- LNAD is a self-complete RF transmitter which only requires input regulated power source to make it operational.
- The LNAD module is designed to be incorporated into host telematics devices under development at Continental Automotive Systems, Inc.
- LNAD has on-board RF shielding.

Based on this information, Continental would like to seek Single-Modular Approval for LNAD.

Should you have any questions, please feel free to contact the undersigned.

Sincerely, 

James Zhang
