SUBJECT: Class II Permissive Change for FCC ID: LHJ-LNADVW, approval date: 08/16/2016

Dear Examiner,

This is to request a Class II Permissive Change application for above referenced device.

The major change filed under this application is:

1. Enable the modular certified FCC ID: LHJ-LNADVW to be integrated in Continental Automotive Systems StrLnk2/ Model: LNADVW.
2. Use the non-pin-to-pin compatible RF Switch to replace the original RF Switch.
3. The detail changed items of schematic and block diagram are described in change note exhibits.

Except the change described above, the design and software are exactly the same with original.
Software security remains unchanged from the original application.

Sincerely,

James Zhang
