SUBJECT: STATUS	

Hi Joe:

Our client called this morning wondering about the status of the above referenced equipment. The Website Search form (atahced) says that you have been "Awaiting Reply For Technical Information" since June 26, 1998. The information was faxed to you on July 1, 1998, and then again on July 2, 1998. It is now August 10, 1998, and we are wondering what is the hold up?

Sincerely,

WALTER H. SCHUKNECHT III, Operations Manager
