Re: FCC ID: LM6-LFNFCCR1

To Whom It May Concern:

The following application is submitted on behalf of our client, Life Fitness, for evaluation of their model NFC Card Reader for a C2PC certification under FCC Part 15.225.

Application filing is a C2PC to address integration into portable host device. Co-located with FCC ID: XRH-NPE101; FCC ID: WP5TWN4F3; FCC ID: SQG-60SIPT; and LM6-LF10WQWC

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
