## A photograph of a green printed circuit board (PCB) with various electronic components. The board is populated with several integrated circuits, including a large central microcontroller with a complex pinout, and several smaller ICs. There are also various passive components like resistors and capacitors. A barcode label is affixed to the board, containing the text "ALC 00088640P" and "ALC 00088640P". The board is placed on a white surface next to a ruler for scale. The ruler shows measurements in centimeters, ranging from 41 to 58.
