A black, rectangular electronic device with a silver border is shown. It has a red circular sticker on the top left and a yellow circular sticker on the bottom left. The device is placed on a white surface next to a yellow ruler. The ruler shows measurements in centimeters and millimeters. The device has a black screen with some faint text and a red circular sticker on the top left. The yellow sticker on the bottom left has some handwritten text. The ruler is placed below the device, showing its length is approximately 18 cm.
