

2/28/2017

Dear Application Examiner:

Select Comfort Corporation is submitting this application for certification of their 360 FlexFit Controller. FCC ID: LPM-9000B. It uses a 802.15.4 transceiver that is controlled by a remote control and or a smart device app. The 360 FlexFit Controller is a 120VAC device that controls an adjustable bed foundation. This device will allow the customer to move the head and foot portion on the bed up and down, turn a under bed light on and off, and turn a foot warming pad on and off.

The 802.15.4 transceiver utilizes a single integral PCB etch antenna.

The technical reports and exhibits demonstrate compliance with FCC rules 47 CFR 15.247

Your efforts in reviewing this application are greatly appreciated.

Best Regards,

A handwritten signature in black ink that reads "Jeffery Barnum". The signature is fluid and cursive, with the first name "Jeffery" and last name "Barnum" clearly distinguishable.

Jeffery Barnum
