Request for long term confidentiality of the Internal photos for our short range radar sensor with FCC ID: LTQ2H5TR

Dear Sirs,

Pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules we would like to kindly ask you for a long term confidentiality of the internal photos from our short range radar sensor due to following reasons:

Our radar sensors are fully laser welded and cannot be opened and accessed by public persons. Non of the public manuals include internal photos.

In case of failures the sensors can only be **maintained/replaced by professional designated technicians trained and working at appointed OEM car shops.**

LTQ2H5TR sensor is using a special Aptiv developed technology which we would like to protect from competitors.

See also the enclosed NDA

We would be glad if you could help us protecting this special design.

Yours Sincerely

Ljiljana Trivic (Certification Responsible)
