**Request for long term confidentiality of the Internal photos for our short range radar sensor with FCC ID: LTQA3TRN**

Dear Sirs,

Pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules we would like to kindly ask you for a long term confidentiality of the internal photos from our short range radar sensor due to following reasons:

**Our radar sensors are fully laser welded and cannot be opened and accessed by public persons.** Non of the public manuals include internal photos.

In case of failures the sensors can only be **maintained/replaced by professional designated technicians trained and working at appointed OEM car shops.**

**LTQA3TRN sensor is using a special Aptiv developed technology which we would like to protect from competitors.**

**See also the enclosed NDA**

We would be glad if you could help us protecting this special design.

Yours Sincerely
