Request for long term confidentiality of the Internal photos for our infotainment unit with FCC ID: LTQIHP

Dear Sirs,

Pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules we would like to kindly ask you for a long term confidentiality of the internal photos from our infotainment unit due to following reasons:

Our infotainment unit cannot be opened and accessed by public persons without damage. Non of the public manuals include internal photos.

In case of failures the unit can only be **maintained/replaced by professional designated technicians trained and working at appointed OEM car shops.**

LTQIHP unit is using a special Aptiv developed technology which we would like to protect from competitors.

See also the enclosed NDA

We would be glad if you could help us protecting this special design.
Yours Sincerely
