

Label draft for SIEMENS SITRANS LR080

The type plate is lasered on the stainless steel body of the device.

SIEMENS

SITRANS LR080

50

CE

927624

50

CE

540881

LR080-1, FCC ID: LYH-LR080, IC: 267AA-LR080

12...35V=, 3.5W

4...20mA or IO-Link or PNP/NPN 250mA

IP66/67/69, NEMA Type 6P

MWP 16bar (1600kPa)

15m

PEEK, FKM, 316L

2024

SIEMENS AG DE-76881 Karlsruhe

Made in Germany

LR080-2, FCC ID: LYH-LR080, IC: 267AA-LR080

12...35V=, 3.5W

4...20mA or IO-Link or PNP/NPN 250mA

IP66/67/69, NEMA Type 6P

MWP 16bar (1600kPa)

15m

PEEK, FKM, 316L

2024

SIEMENS AG DE-76881 Karlsruhe

Made in Germany

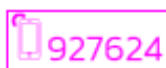

Location for IDs

The photograph shows the physical device, a cylindrical stainless steel pressure transmitter. The label is laser-etched onto the side of the body. It contains the same technical specifications and identification information as the draft labels above, including the Siemens logo, regulatory marks, part numbers (927624 and 540881), technical details (LR080-1 and LR080-2), electrical ratings, IP rating, pressure rating, cable length, materials, a wiring diagram, the year 2024, a warning triangle, the manufacturer's name (SIEMENS AG DE-76881 Karlsruhe), and 'Made in Germany'. A QR code is also present on the right side of the label. A green arrow points from the 'Location for IDs' box to the area on the device where the part numbers are located.

Label Draft for SITRANS LR080, HVIN LR080-1

SIEMENS
