FCC Part 15 Certification

Gentlemen,

In accordance with 0.459 of CFR 47, Polycom hereby requests confidentiality of the following documents for the subject application:

- Part Lists
- Block Diagram
- Operational Description
- Schematics

These documents contain detailed system and equipment description and related information about the product which Polycom considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Polycom considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
