Subject: HM151135 HKSTC report for FCC ID: M8QS63249TX - MET 15878

Hi Alice,

Antenna EM194 in the HM151135 test report shows a calibration date of calibration date 14 may 02. The test date of 28 may 2004 exceeds the 2 years interval. Please clarify this.

I look forward to your reply.

Thank you for using MET Laboratories TCB services.

Best Regards,

Alvin Ilarina
